Why have you decided to run for the Colorado Master and slave title? (Use as much space as needed. You may attach an additional page titled with this question, if necessary.)

If you win the Colorado Master and slave title, what would be your goal(s) for your title year? (Use as much space as needed. You may attach an additional page titled with this question, if necessary.)

Holding a state leather title like Colorado Master/slave requires a serious time commitment on the part of the titleholders. Most of us have one or more things in our lives that demand significant amounts of our time. **Please identify any circumstances in your lives that demand a significant amount of your time and explain how, if you are chosen Colorado Master/slave, you plan to manage your time so that you can meet your life obligations as well as your obligations to the title.** (Use as much space as needed. You may attach an additional page titled with this question, if necessary.)

The Owners of the Colorado Master/slave title are pleased to provide our titleholders with a travel fund, the amount of which varies from year to year. However, it is our experience that all state titleholders, including Colorado Master/slave, spend some amount of personal funds during their title year as they travel in support of the title. **If you are chosen Colorado Master/slave,**

how do you plan to manage the additional financial burden that often comes with holding a state title? (Use as much space as needed. You may attach an additional page titled with this question, if necessary.)

Any additional information you would like the judges to know? (Use as much space as needed.)

A misdemeanor or felony conviction for Domestic Abuse, Domestic Violence, sexual assault, or any other sexually based offense, including those involving a child or minor, or being registered in the Sex Offender database will be a disqualifier from competing in the Colorado Master/slave Contest. I swear and attest I have NO disqualifying factor based on the above criteria.
